

Circus of the Moon[®] Full collection with product codes

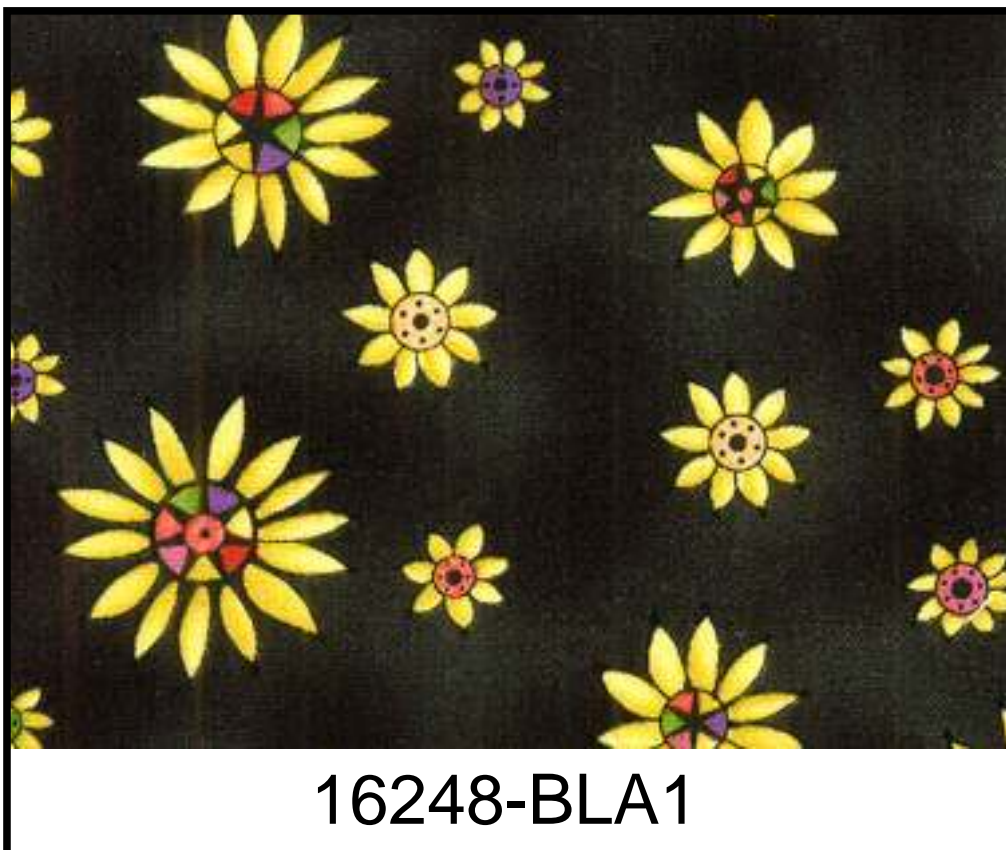

Circus of the Moon[®] is designed by Dawn Michelle Seddon who lives in Cheshire, England. They are bright twinkling designs with magic and fun. Elephants and many other animals form family stories and there is a magical journey just about to begin in books, stationery etc. These little characters have magical journeys through all our world bringing colourful story ways to children and adults alike. Just think of living in a gypsy caravan with things that will happen and take you into a magical childhood dream. I'm sure you want to know more!
