

Dollies House™

Full collection with product codes

Dollie's House(TM) is designed by Dawn Michelle Seddon who lives in a country cottage in Cheshire, England. Dollies House(TM) is a series of a lovely colour story that comes through the magic of Dawn's fingers and is stories of a very beautiful village hidden away from the world and will be in story form and other product licenses. The village has characters that will charm and make you laugh, houses for all the little characters filled with gingerbread and secrets. Do you want to know the secret! Dollie's House(TM) is available from redroosterfabrics.com in textiles and here on the web site you can see its colour palette and is licensed product. There will be books, stationary, etc. etc. Come to find the magical village, you will find it and never want to leave its charm and its secrets.
